About Veertly.com

Before the event, check out this [attendee tutorial](#) or view this [demo](#) to make sure, you are prepared to get the most out of this event!

* We warmly recommend you to connect to Veertly before we start for setting up your profile and discovering Veertly's functionalities. As a subscribed participant, you will receive in advance a factsheet from us to help you in the first steps. Also, the members of the SFR team will be available online to assist you during this time. Please use this slot and do not hesitate to reach out if you need. The platform will be open from 12:30 on.

** Veertly allows us to socialize in the virtual way. This functionality is innovative in the world of the digital communication platforms and is really awesome! So, we invite you to stay connected and to use this feature for exchanging with the participants during the break and at the end of the meeting as well. Networking is also the goal of our innovation group meetings. Of course, if you need a short break to grab a coffee, you are naturally welcome to do this as well!
